U.S. EPA EST. No. 39494-CO-01
U.S. EPA No. 39494-1
Net Contents 2 Fluid Oz.

PHYSICAL OR CHEMICAL HAZARDS

Flammable (77°F flash point). Stay away from
heat or open flame and do not smoke while
using until after the odor of alcohol has com-
pletely disappeared. Keep container away from
heat or open flame.

This material affects leather, paint, certain plas-
tic articles, most furniture finishes and some
synthetic fabrics.

STORAGE AND DISPOSAL

Do not store near heat or open flame. Do not
reuse empty container. Wrap container and
place in trash collection.

DIRECTIONS FOR USE

Read all directions before using this product.
It is a violation of Federal Law to use this prod-
uct in a manner inconsistent with its labeling.

To keep ticks, chiggers, biting flies, gnats,
mosquitoes, fleas and no-see-ums. Use just
enough repellent to cover exposed skin and/or
clothing. Do not use under clothing. Frequent
reapplication and saturation is unnecessary for
effectiveness. After returning indoors, wash
teeth, then wash soap and wear. Wash treated
clothing.

Use of this product may cause skin reactions
in rare cases. If you suspect that you or your
child is reacting to this product, wash treated
skin and call your local poison control center.
